Mr. Scharffenberg came in to request the Department's support of his request to the Saudi Embassy that King Saud, who he said is an Honorary President of the International Commission for the Prevention of Alcoholism, speak briefly for a motion picture which the Commission is preparing. Mr. Sherwood and I indicated a desire to be helpful and said that we would endeavor to mention the matter to the Saudi Embassy here. Mr. Scharffenberg suggested that while the King was before the microphones upon his arrival at the MATS Terminal he might conveniently say a few words for the association. I replied that I thought there would be a considerable crush and probably some confusion during the actual arrival and that I thought for the purposes of a film to be used by the association a more satisfactory interview could be arranged at some later time. Mr. Scharffenberg agreed.
